

COMPETITION DELIVERY ROLES

Competition Assistant	Support the behind-the-scenes competition operations that help players, officials and teams perform at their best on every match day. Ideal for someone who is organised, professional and enjoys operational support roles.
Technical Official Assistant	Support the Technical Officials who keep the game running, ensuring they have everything they need before, during and after each match. Ideal for someone with previous bench official experience, netball knowledge and who enjoys administrative tasks.
Venue Team Liaison	Be the dedicated point of contact for a competing team, helping them navigate the venue and ensuring they have a seamless match day experience. Ideal for someone who takes ownership, communicates confidently and thrives under responsibility.
Training Site Assistant	Help teams and officials make the most of every training session by preparing training environments and providing operational support throughout the day. Ideal for someone who works independently, stays organised and enjoys a behind-the-scenes role.
